

having Nebraska be that talking point on election night for somebody who's solely interested in gaining attention for themselves and not what's in the best interest of the State of Nebraska. For those of you who are undecided, I hope that you'll at least, on General File, decide that this matter is worth further discussion and further examination, and I would appreciate your vote to advance LB 65 this morning. Thank you, Madam President. Madam President, I would ask for a call of the house and a reverse order roll call, please.

PRESIDENT ROBAK: Okay. There's been a request for a call of the house. All those in favor vote aye, all those opposed vote nay. Please record.

CLERK: 31 ayes, 0 nays to go under call.

PRESIDENT ROBAK: The house is under call. Will all senators please return to their seats. Will all unauthorized personnel please leave the floor, the house is under call. Senators, please check in. Senator Brashear, will you please check in. Senator Chambers.

SENATOR CHAMBERS: Point of order, Madam President. I think we adopted a rule which dealt with alphabetical order when we ask for these things. So, in the way that Senator Kristensen framed his motion of reverse order, does he mean that if you were going to vote yes you now vote no, and if you were going to vote no you now vote yes?

PRESIDENT ROBAK: I believe, Senator Chambers, that the reverse order is in the alphabetical order. We will go by the name closest to the last letter of the alphabet. Senator Chambers, will you check in. Senator Janssen, will you check in. Senator Janssen, will you please check in. Roll call vote in reverse order.

CLERK: (Roll call vote taken. See pages 589-90 of the Legislative Journal.) 25 ayes, 15 nays, Madam President, on the advancement of LB 65.

PRESIDENT ROBAK: LB 65 advances. I raise the call. Turn now to LB 93. Before we turn to LB 93, any items for the record, Mr. Clerk?

CLERK: Madam President, Urban Affairs Committee reports LB 470
